

FREQUENTLY ASKED QUESTIONS:

"What if I want to avoid any 'Imperial Entanglements?'"

Star Tours is a fully licensed affiliate of the Galactic Tourism Board. Our legal team at Star Tours HQ have just made a deal that will keep the Empire out of here forever.

"Flying is for Droids!"

While not actually a question from a certain point of view, Star Tours does pride itself on our top of the line, definitely not second hand, RX Series piloting droids.

"Do you travel to the Lando System?"

No, Lando is not a System, He's a man. We do fly to his mining facility on Bespin, which is in the Anoat System, close enough to Hoth you don't even need a hyperdrive!

"Are my droids welcome on board?"

Of course! Star Tours recognizes that some times you just can't leave your favorite cybernetic at home. They will however have to remain at the back of the Speeder. Apologies, It's Imperial Regulation.

"What are the chances of successfully navigating an asteroid field with Star Tours?"

Three Thousand, Seven Hundred and Twenty
