

STAR TOURS is your Galactic Leader in space travel across the Known Regions and beyond! From Courascent to Sullust, you can trust Star Tours speeders to get you to your destination quickly, safely, and in relative luxury. Since the founding of the Republic to the creation of the Galactic Empire, Star Tours will continue to serve travellers under the loving eyes of our Benevolent Emperor Palpatine

Spacious seating for all body/species types

Our fleet of top of the line Starspeeders have traversed the stars from the Bright Center to the planets Farthest from. No matter where you're flying, Star Tours can get you there.

Starspeeder 1000s; It's an older model but they check out.

The Center of it all. The Capital World, **Courascent** offers travelers a world like no other! Shopping, politics, Crime, and sweeping views of dura-steel horizons.

The Organa Royal Family welcomes you with open arms to the peaceful world of **Alderaan**. A lush and enchanting world to take you, own little princess too. Weapons are restricted planet-side. Ask a Star Tours agent to put your blasters in a weapons locker once you arrive at the Star Port.

Nestled warmy in the Anoat System. The ice planet **Hoth** offers visitors a vast winter wonderland for all of your favorite snow sports. The resort will be alerted to you presences when you drop from Hyperspace!

With almost endless forests and hiking trails, the **Endor Moon** is the ideal destination for outdoor Family adventures. Join the local Emoks on a Gork Hunt or visit the Death Star: II Memorial site. The Star Tours: Endor Express departs every fifteen minutes for your convenience.
